In the event we are not able to secure the desired vessel from our suppliers, we will work to find a suitable alternative for your approval.

*If you would like another vessel that we do not currently offer, there will be a research fee to cover testing of the desired vessel. The research fee is \$100 + the unit price of your quoted vessel. We can only accommodate vessels that hold between 2.5 oz and 16 oz of product.

Fragrance

There are two categories for the fragrance(s) we can use for your custom order:

Well Lit Candle Fragrance

This is any of the fragrances we currently offer in any of our collections, included in the vessel pricing. We have a wide assortment of fragrances that may be suitable to your needs. A full fragrance list with note profiles can be found towards the end of this document.

Custom Fragrance (+\$30)

This is if you have a specific fragrance in mind and would like for us to recreate it for you. This is slightly more due to the testing involved with deciding the right fragrance blend/combination to obtain the desired scent. The fee applies to each specific custom fragrance requested, NOT to each candle that uses the fragrance.

There is an option to have multiple fragrances and vessels in your order, however, there is a 16 oz minimum per fragrance and a \$10 'split menu' fee per fragrance. There is no limit to the number of fragrances in an order. See Minimum Order Quantity section for more details.

Label

There are three labeling options for your custom order:

1. Ready-to-print design (included in your vessel pricing)
2. Replicated existing design (+\$50 flat fee)
3. Well Lit Candles design (+\$100 flat fee)

For option 1, you must provide a design you have the rights to. We will not make any changes to the design except for the purpose of fitting it on a label. For option 2, you must provide an example of what design you are interested in and we will recreate it. For option 3, you will be asked to share the details of the vision for your design. Proofs will be provided for approval for all options. We request timely approval so as not to delay the overall process.

Shipping

The US shipping rates are as follows. International shipping rates will be determined once quote is drafted.

Final Weight of Order (Lbs)	Shipping Rate
1-5	\$15
>5-10	\$20
>10-20	\$35
>20-30	\$50
>30-40	\$70
>40-50	\$90
>50	Price to be determined at a later date

The approximate weights of each product have been provided above. These values will be used to calculate the shipping costs for invoicing.

LOGISTICS

Minimum Order Quantity (MOQ)

A minimum of 16 oz worth of product by fragrance must be placed for custom candle orders. For 'split menu' orders (different fragrances), there is a 16 oz product minimum and \$10 fee for each additional fragrance in the order. There is no limit to the number of fragrances in an order, only a 16 oz product minimum. (Example to follow.)

Example: Let's say the order should include two different fragrances. The MOQ is 16 oz worth of product for each fragrance, bringing the total minimum quantity to 32 oz worth of product and adding a \$10 fee. The 16 oz for each fragrance can be broken up into any size vessel, so long as the total weight adds up to at least 16 oz (i.e. (1) 16 oz candle, (2) 8-9 oz candles, (4) 4 oz candles, (1) 8 oz candle and (2) 4 oz candles, etc.).

Feel free to reach out to us at any time for clarification.

Lead Time

We ask that we are given at least ten weeks of lead time to put your order together. Any orders needed sooner than the ten weeks will be considered a rush order*. The ten week window begins once the deposit has been paid. Please adhere to all deadlines given throughout the process to ensure on time delivery of your order. **Well Lit Candles will not be responsible for delays resulting from missed deadlines on the customer's part.**

*Rush orders will incur a fee of \$2.50 per item.

Rush orders will have a minimum 4 week window that begins once the deposit is paid.

Creation Process

We want to make sure you are a part of the creation process! We will maintain constant communication with you as we are designing labels and confirming custom fragrance options. Please respond promptly and adhere to all deadlines to make sure your order can be turned around in a timely manner.

Deposit and Payment Schedule

We require a 50% deposit to secure your order upfront. The remaining balance will be due one week before the order is scheduled to be shipped. Orders will not ship until final payment is made.

For rush orders, a 50% deposit is required to secure the order upfront. The remaining payment schedule will be detailed at time of placing the order. Orders will not ship until final payment is made.
